A Message from the Principal

Assalamu Alaikum,

The staff of the Walnut Creek Islamic Center Sunday School would like to welcome your child/children to our school and hope that the educational experience will be fruitful.

The school fees that you pay every trimester are spent entirely on school material, books, and other direct needs of your children. To help us be responsive to your children's needs, please make sure that you make timely payments of the required fees.

Additionally, we strongly suggest that parents take an active role in the learning process of their children through supervising their study and doing the assigned homework at home in preparation for the school sessions. Giving encouragement to your children and informing them of how proud you are to see them learn the principles of Islam and the Arabic language would certainly make the children more serious about their schoolwork.

Please make sure that your children bring their notebooks and other school material, which are dedicated solely to their Islamic schoolwork. Children should have a good breakfast before coming to school and be appropriately attired for class.

We certainly appreciate your cooperation and feel privileged to have the opportunity to teach your children Islam and the Arabic language. InshaAllah, we hope our modest efforts along with your commitment will enable our children to grow up as good Muslims in this community.
